The Governing Board

Dedication

To you, J. Francis Chase, in your twenty-fifth year of dedicated service to our college and in your fifth year as Chairman of our Governing Board, we of Fort Wayne Bible College, dedicate this 1963 LIGHT TOWER.

Our students have a deep sense of gratitude and appreciation for the Christian attitudes you have expressed and for the faithfulness and devotion to Christ that you have shown in working with our board.

Your influence has led our administration in abiding by their original goals, therefore our college remains and will continue to be as Christ-centered as it began. We recognize that what our college is, results indirectly from the Governing Board--working through the faculty and staff and ultimately through the students as individuals, and the Governing Board is guided and directed by you. Though other policies and principles in this world are constantly changing, ours have never wavered.

So, we thank you, Mr. Chase, for your Christian love expressed in service to us, and above all, we thank God, for sending us such a willing servant to work for us and with us.

DR. S. A. WITMER
With the Lord--September 11, 1962

Student and teacher! Servant and executive!
Humble and exalted! Patient and dynamic!
Loving and exacting!

Characteristics which might be considered paradoxical became a delicate blend in Dr. S. A. Witmer, former student, teacher, dean, and president of Fort Wayne Bible College. He was a constant and diligent student of the Word of God, world affairs, and education in general. As a teacher he was lucid in instruction and rigid in maintaining high standards. In positions of great leadership, he was patient and loving with the weak, dynamic in drive, exacting in matters of honesty and truth, humble in service to those he led so courageously. Honored and respected among men, he now enjoys the immediate presence of the Lord to whom he was so devoted in service.

Concerning his mission with the Accrediting Association of Bible Colleges, of which he was at one time president and later Executive Secretary, Mr. J. Francis Chase, chairman of the Board of Directors of the college, has said:

"One could easily discern that our brother's natural gifts and vigorous mind

could have placed him at enviable heights in government or law, should he have sought this course. But his dedication to the Word of God led him to practically convince this nation that the Bible college was a vital institution in the program of twentieth century contemporary education."

His vision for the college is perhaps best expressed in the third stanza of the Fort Wayne Bible College Alma Mater, which he wrote several years ago:

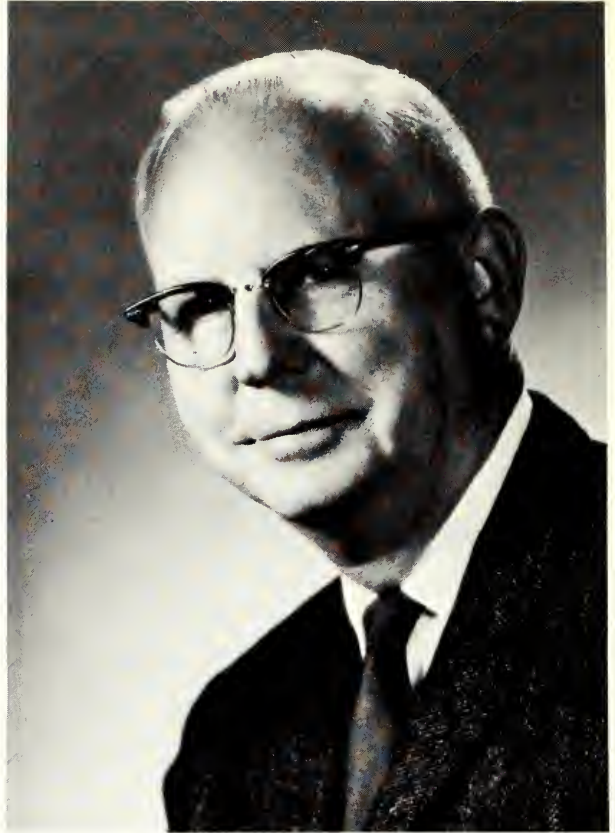

God bless our Bible College!
Her halls enshrine with light;
Her teachers bless with courage;
Her cause endue with might.
God keep her sons and daughters
In faithfulness and love,
One day to serve the Master
Eternally above.

May his passing on before us challenge us to renewed endeavor to be constant as "sons and daughters in faithfulness and love."

ADMINISTRATION

Our President

Jared F. Gerig, A.B., ThB., M.A., D.D.

THE KEY OF KNOWLEDGE: It was Jesus who indicated the lawyers of his day by saying, "Woe unto you lawyers! for ye have taken away the key of knowledge: ye entered not in yourselves, and them that were entering in ye hindred." (Luke 11:52)

The key of knowledge is the Bible, the Word of God. The Bible is the key which gives meaning to and throws light upon all other knowledge. It is the key which unlocks other knowledge. It is the key which unlocks the knowledge of God, of man, of salvation, of history and of destiny. How woefully lacking in any areas of knowledge without the light of the Scriptures upon it!

There is a modern setting for the indictment of Jesus. It were as if He had spoken prophetically, for the judges, the lawyers, and the courts of our day have also taken away the key of knowledge. The Bible has been legislated out of our schools.

Fort Wayne Bible College is committed to a Christ-centered, Bible-integrated philosophy of education. The Bible, the key of knowledge, is the great divinely inspired text book which all must study.

Seniors

We, the Senior class, can look back at the many doors through which we have passed; the door to registration which enrolled us, the doors to our classrooms where we were taught by dedicated professors, the door to Christian Service where we put to practice what we had learned.

Now, a new door is open to us, the door to our future work which the Lord has called us to do. The prayer of our hearts is that as we serve our Lord, we may present the door of Eternal life to all mankind.

Capping Memories

Juniors

The Junior class is extra large this year resulting from the combining of the Pre-junior class with the Junior Class.

We are anticipating a good year to look back upon as we see the fulfillment of some of the class activities. Among these activities are class parties, chapel services, and the reception for the Seniors.

Having come this far in their college career, the Junior class is looking forward to their last days of spiritual and mental training; for "No man having put his hand to the plow, and looking back is fit for the kingdom of God." Luke 9:62

Sophomores

"Ye have not chosen me, but I have chosen you." This verse from the Gospel of John seemed to be especially fitting for the sophomore class as they passed through another year. A large percentage of the men continued in their Christian ministries course while the larger percent of women separated into Christian Education and Elementary Education.

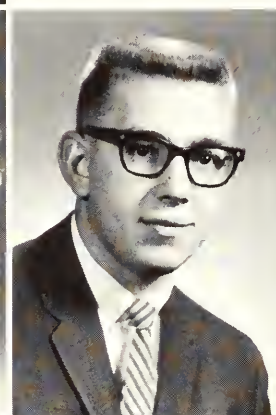

Sophomore participated in the various activities of the year such as the Alumni Homecoming, Halloween party, banquets, and class projects.

After another year of training, the sophomores realized that the Christian life is richer and sweeter as the years go by. Through the blessings and experiences of the year, many drew into a closer relationship with the Lord Jesus Christ.

"Not by might, nor by power, but by My Spirit, saith the Lord of host." Zechariah 4:6

We, as the Freshman Class, are just starting out on the road of higher education and we realize this is not an easy road. We are confident that of ourselves we can never successfully travel this road, but we know that through Christ all things are possible. Our prayer this year, is that our lives may be filled and motivated by the Holy Spirit and that He may have pre-eminence in every phase of our lives, so that we may truly say, " . . . Not I, but Christ . . ."

Theory

Less than a mile from the campus of F.W.B.C., a team of twenty-one Bible College students are presently enrolled in the Lutheran Hospital School of Nursing. Having completed one year on campus, they will spend the next three years at the hospital, returning to the campus for a final year of study in Bible and missions. This five year program combines Bible, missionary training, and nursing to well prepare the students for future service.

ACTIVITIES

A Council Meeting

One organization to which all the students of the college belong is the Student Association. The student government functions through this important committee. The officers are elected by the student body, and its purpose is to promote fellowship, scholarship, leadership, and spiritual life within the college, to coordinate student activities, to further a close and harmonious relationship between students and college personnel, and inspire loyalty to the college and the principles for which it stands. Some activities which it sponsors include the Bloodmobile, Freshman Orientation, magazines for the lounge and publication of the school paper.

Promoting fellowship among the MCA students is the main objective of the MCA Student Fellowship. The monthly meetings are aimed at gaining interest and insight in the denomination. This is accomplished through speakers, generally MCA staff members, who present various aspects of the association's organization. Featured this past year, was MCA Headquarter's Christmas Banquet to which the MCA students were invited.

Only members of a yearbook staff can know the heartaches that go with putting an annual together . . . the late hours, the loss of film and pictures, the many discarded layouts and the dreaded deadlines.

But we, the staff, hope that our fellow students and college family share in the joys of the finished 1963 Light Tower. It is our desire that this edition will be a "key" for unlocking the many memories experienced this past year.

The B.C. Ambassadors are the largest gospel team representing the school each year. Playing a seventeen game schedule with schools from four states, provides the team with a large field for service and a Christian witness. In addition, several church services are conducted annually by the team while on week end trips. Though game victories may not be as frequent as desired, the satisfaction of a job well done and pleasing to the Lord more than compensates. At present, basketball is the only inter-collegiate sport; however, in the next two years tennis, track and field plus several other sports may be added to the expanded program.

Five girls representing three of the classes, constitute the cheerleading squad for the season '62-'63. "Yea team?"

No basketball team is complete without its cheering section, and the Ambassadors have, if not the largest, one of the most enthusiastic cheering groups. Led by the cheerleaders, this group attends all home games en masse and cheers the team on to victory. In addition, the group, which is comprised of fifty members plus the cheerleaders and an advisor, Miss Martha Fiedler, attends several away games to give the team a boost in unfriendly surroundings. Truly the basketball team is aided in abundant measure by the enthusiasm and faithfulness of their Booster Club.

INTRAMURAL SPORTS

Spirited competition and fair play describe the intramural program this year. An expanded program of team and individual sports does much to help prepare each student for his future service. Each student is a member of one of the four intramural teams: the Spartans, Olympians, Athenians and Lancers, and each victory and team participant adds to the point total for his team. In addition, a class basketball tournament is held each spring, which adds to the excitement and enjoyment of the intramural program.

Student Missionary Fellowship seeks to promote interest in and understanding of world missions. Through speakers from different phases of missionary activity, students receive the challenge of the lost in weekly scheduled meetings. This year Miss Florence Cavender and Mrs. Arthur Hall received support from the S.M.F. As other projects for missions, \$250 was contributed toward transistor radios which, after being pre-tuned to HCJB, were distributed to the people of South America. The \$5,100 pledged by S.M.E. members also aided in the buying of library books for Jamaica Theological Seminary and the building of a dormitory at Sierra Leone, West Africa.

"Communicating the Gospel" was the theme of the 4th annual missionary conference sponsored by S.M.F. Featured this year were the Rev. Robert Savage, vice-president of the World Radio Missionary Fellowship which sponsored radio station HCJB--"The Voice of the Andes"--Quito, Ecuador; and Mr. Peter F. Gunther, assistant director of the Moody Literature Mission, chairman of Evangelical Literature Overseas, and a member of the board of Literature Evangelical Para Americana Latina. The conference proved to be both informative and inspiring. Decisions as to missionary service were made and lives were dedicated to God's will.

Rev. Harold Walker

SPRING

The first week of each semester is devoted to Spiritual Emphasis Week at Fort Wayne Bible College. The speaker for the first semester was to be Dr. R. R. Brown, but circumstances prevented his being here. The faculty presented the messages during this time. At these services the college verse for the year was introduced as found in Joshua 3:5: "Sanctify yourselves: for tomorrow the Lord will do wonders among you."

Rev. Harold Walker delivered inspiring messages in the second semester services. He attended F.W.B.C. and is currently on the Youth Crusades staff of Youth for Christ International. Rev. Walker challenged the students to a personal revival. It is the prayer of all that the decisions made here be evident in our future walk with Christ.

Faculty Speakers: Mr. Wesley Gerig, Dr. Jared Gerig, Mr. Timothy Warner, Mr. Weldon Klopfenstein, Dr. Edward Simpson.

Rev. William J. Carey

"Exploring Inner Space," the theme for the twenty-third annual youth conference, challenged hundreds of young people as they came to F.W.B.C. April 26--28.

The speaker, the Rev. William J. Carey of the Alliance Church, Bryan, Ohio, has done outstanding work with young people during his fourteen years of pastoral experience. Rev. Carey had four years active military service in W.W. II and served in military intelligence during the Korean War. His extensive travels including forty-eight states and eleven foreign countries were highlighted this year by a trip to Central America. Rev. Carey's summers have been spent mainly in conference work and youth camps, as a counsellor and evangelist.

Starting Friday afternoon with registration, the conference program included services each evening; the play, "Passing of the Third Floor Back," presented by the college drama department; a program featuring the Youth Conference band and Blanchard DeMerchant, student magician; and several films.

The conference came to a climax Sunday afternoon when many young people made definite decisions for Christ. The week-end was truly one of exploring, and for many--discovery!

Christian Service

The Christian Service Department, under the direction of Miss Joy Gerig, gives students an opportunity to serve Christ and train in Christian work. The students receive practical experience while serving the community in areas such as Child Evangelism, Gospel team ministry, pastoral training, mission work, choral directing, Sunday School teaching, and state school work.

Even counsellors need counseling; they get it at monthly practicum classes.

Oratorio

Highlighting the Christmas season was the performance, December 9, of Handel's stirring oratorio, "The Messiah." Complementing the oratorio chorus, under the direction of Mr. Richard Elmer, were several interested persons from the Fort Wayne area. Unique in this performance was the use of instruments of the original score, including the harpsichord played by Dr. Rene Frank. Soloists were: Mrs. Mary Wright, soprano; Mrs. Margaret Weber, contralto; Mr. John Bechtelheimer, tenor; and Mr. Ira Gerig, bass.

A Cappella Choir

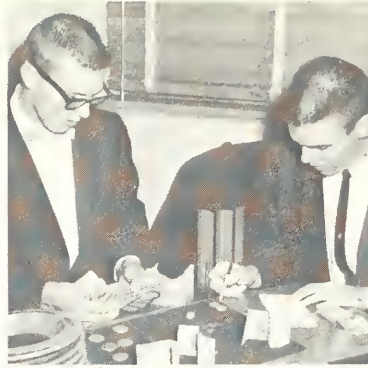

Director, Richard Elmer

Spring Vacation found the members of the A Cappella Choir and their director, Mr. Richard Elmer, touring Kentucky, Illinois, and Indiana. Witnessing in song of Christ's saving grace, they presented the stirring "Conversion Portion" of Mendelssohn's "St. Paul." As they sang, the impact of the words of Paul's great spiritual experience was felt not only by the audiences, but by the choir.

Returning to the college the choir shared the blessings of the tour with the home audience. The complete oratorio was presented at the Spring Concert with the combined efforts of the oratorio chorus and the A Cappella Choir.

Lead on, O King Eternal
The day of march has come;
Henceforth in fields of conquest
Thy tents shall be our home.
Through days of preparation
Thy grace has made us strong,
And now, O King Eternal,
We lift our battle song.

Lead on, O King Eternal,
We follow, not with fears;
For gladness breaks like morning
Where'er Thy face appears;
Thy cross is lifted o'er us;
We journey in its light:
The crown awaits the conquest;
Lead on, O God of might.

Let us go up at once, and possess it;
for we are able.

AN INVITATION TO CONSIDER DENVER

For your graduate training for Christian service, we invite you to give serious thought to the Conservative Baptist Theological Seminary of Denver. Now in its thirteenth year, this growing school offers such advantages as a low faculty-student ratio, an expanding library, and a trained faculty.

Recent evidence of the Seminary's steady advance is apparent in two areas: acceptance into Associate Membership in the American Association of Theological Schools, and the purchase of a 31-apartment married students' residence.

Continue your training in a school which emphasizes Biblical studies, missions, and Baptist distinctives.

The founders of The Missionary Church Association, which had its beginning in 1898, were impelled by a threefold vision:

1. That of carrying the Gospel of Jesus Christ into all the world to the end that men might be saved;
2. That of a home constituency in the United States which would support and give stability to the foreign missionary program;
3. That of a school to train ministers and missionaries for both the home and foreign programs.

Fort Wayne Bible College
(New South Campus -- Now being developed)

In fulfillment of this vision, the M.C.A. founded F.W.B.C. in 1904 and together they have grown to a place of world-wide influence in helping to fulfill the Great Commission of Christ.

Jamaica Theological Seminary

The M.C.A. has extended its training program on a college level to Jamaica in the West Indies, by opening the Jamaica Theological Seminary in 1960, offering a four-year course of study leading to a degree in Theology.
